

# Dodgeball

A selection of year 5 and 6 boys and girls from Glebe Primary School played in a dodgeball tournament held at The Deanes School on the Tuesday 3<sup>rd</sup> November. There were two groups of five schools. Glebe got off to a flying start by winning all four of their group games. A convincing semi-final win .set up the much anticipated final against Grove Wood, who won their semi- final as well. In the final glebe raced into a 1 – 0 lead with a comfortable win. The second game was a lot closer and went for the whole two minute playing time, with Glebe just edging Grove wood out on the number of players they had on the pitch at the end and winning the competition with one game to spare. Glebe are now going to the County Finals on 8<sup>th</sup> January.

**Dodgeball club is run on Friday morning before school from 8 – 8.45.**
